APRIL 2023

Hilltop Message

March is quickly coming to a close and will probably be April Fool's Day by the time you get this newsletter.

We had a sprinkling of a few warm days in March and some grass greening up, and the return of Daylight Savings Time, to remind us that warm weather and car activities are just around the corner. Time to get those old Fords out, dust them off, and take them out for a little test drive. For starters, Cruse Night has started back. Tuesday evenings in Tulsa and Friday evenings in Claremore.

We had a very good Tire Kick in March at George Fugate's Shop. We had a good turnout, great coffee and donuts, lots of visiting, and several nice cars to enjoy looking at. A BIG thank you to George for hosting us.

We will have a Tire Kick on Saturday, April 8th (9am) at Rick Claybaugh's new shop in Coweta. Don't miss it! And drive your old cars, there's plenty of parking. More information and address in another place in this newsletter.

April 14–18 are the dates for the Tulsa Auto Show at the Fairgrounds. Even though we don't participate in it anymore, it is still a fun place to go look at the old cars on display, AND get sticker-shocked by the new cars.

The annual Swap Meet dates are April 21 – 22 at the Kellyville Fairgrounds. We will again be opening the Crankshaft Café for the event and we need everybody to participate in whatever way that you can. We will be serving the beans and cornbread dinner (for a nominal price) on Thursday night the 20th for the vendors who are setting-up, so we need donations of beans, cornbread, and brownies or cookies for that night. We also need donations of LOTS of desserts... pies, cakes, and cookies for both Friday and Saturday, and of course, we need lots of help. Even if you haven't worked the kitchen before, come out and you will be given a job to do. This is a lot of work but it is always a lot of fun as well. AND, it is our only yearly club fundraiser that helps us to be able to do the fun things that we do throughout the year.

There as **WILL NOT BE A GENERAL MEETING IN APRIL** as the fourth Saturday falls on the same day as the Swap Meet, and y'all will be out there working (or buying).

See you at the Swap Meet!
Gary

March Tire Kick

A big thank you to George Fugate for opening up his shop last month and allowing us to visit and enjoy his car collection and his cool collectibles he had displayed in the front room. We had a good turnout of members and a few visitors! It was a nice morning; George pulled out all the stops with his Keurig coffee pods and assorted candies.

Lots of room indoors if you don't want to be out in the bright sun. Lots to see and possibly some great photo ops as well. We have some activities planned other than just eating doughnuts and looking at cars.

Bring your chairs and meet there! Hope to see you all on the 8th of April.
